ISIS LEADER'S DEATH INCREASED TRUST IN TRUMP

Most people are intractable in their approval or disapproval of President Trump. However, news that ISIS leader Abu Bakr al-Baghdadi was killed in a raid by US special forces **made 7% of those who disapprove of how Trump is handling his job trust him more** in the fields of national security and foreign policy. As we head into an increasingly polarized election season, could this moveable 7% shift the course of the 2020 election?
